# IN-ROOM DINING

Our appetizing In-Room Dining service menu options include antioxidant-rich SuperFoodsRx® dishes, which pair certain whole foods to boost their benefits and their flavors.

These foods were chosen because they contain high concentrations of crucial nutrients, as well as the fact that many of them are low in calories.

Foods containing these nutrients have been proven to help prevent and in some cases, reverse the well-known effects of aging and offer health.

*Tempt your palate and always eat well at Westin.*
