

#### Day 1 - Victoria Falls (B)

---

On arrival at Victoria Falls, Zimbabwe you will be transferred to your luxury accommodation for the following two nights, Palm River Hotel. Rest of the day at leisure to explore the township or relax at your riverside resort.

Accommodations: Palm River Hotel (Deluxe)

#### Day 2 - Victoria Falls (B)

---

Join a guided walking tour of beautiful Victoria Falls this morning, during which the history and significance of the Falls will be explained. Explore further or relax until the late afternoon, when you depart on a sunset cocktail cruise on the mighty Zambezi River. Take your camera with you on both tours, and don't be surprised to see some resident hippo and some visiting elephant on your river cruise.

#### Day 3 - Chobe National Park (B,L,D)

---

You will be transferred to Chobe National Park and your accommodation for the following 2 nights, Chobe Safari Lodge. Your first game activity will be this afternoon. The Park's resident elephant population is estimated to exceed 50,000. Watching these gentle giants wash in the river is a memory to hold forever.

Accommodations: Chobe Game Lodge (Deluxe)

#### Day 4 - Chobe National Park (B,L,D)

---

Wildlife viewing in Chobe continues today as you explore more of this game rich Park. The Chobe River attracts predators and prey alike, no game drive is ever the same, and no game drive should be missed. When not on a drive or a walk, enjoy the comforts of your lodge and their delightful staff.

#### Day 5 - Savute (B,L,D)

---

Today, you will be transferred to nearby Kasane International Airport, for the light aircraft flight to world famous Savute Marsh where you will be met and transferred to your accommodation for the following three nights. Your first game activity will be this afternoon, after you check into Savute Safari Lodge.

Accommodations: Savute Safari Lodge (Deluxe)

#### Days 6 - 7 Savute (B,L,D)

---

Over these two days, your guides will offer you a choice of game activities to suit the local conditions at the Marsh. The Savute Channel is a unique waterway known for its cyclical flooding and drying patterns. During periods of heavy rainfall, the channel fills with water from the Linyanti River, providing a lifeline for wildlife. Conversely, during drier periods, the channel may dry up completely, leaving behind fertile floodplains that attract grazing animals.

#### Day 8 - Moremi Game Reserve (B,L,D)

---

Fly by light aircraft to Moremi Game Reserve and your home for the following three nights, Camp Moremi. Camp Moremi has a well-deserved legacy in the Botswana tourism industry for being able to deliver the classic African safari experience. Your first game activity will be this afternoon.

Accommodations: Camp Moremi (Deluxe)

#### Days 9-10 Moremi Game Reserve (B,L,D)

---

Over these two days, activities are organized around game drives and water activities throughout the Moremi Game Reserve and Okavango Delta in open 4x4 safari vehicles and watercraft. As well as premium game-viewing, you will learn much about the vital Delta ecosystem. One of the iconic experiences is to navigate the Delta in a mokoro. A mokoro is a traditional dugout canoe. Carved from a single tree trunk, it glides silently through the Delta's tranquil waterways, providing intimate encounters with wildlife and offering a unique and immersive safari experience.

#### Day 11 Depart Moremi Game Reserve (B)

---

Sadly, all good things come to an end. You will fly by light aircraft to Maun to connect with your ongoing international flights.
