Bali at Leisure

Nusa Dua is situated on the calm leeward eastern side of the island and is generally an uncrowded beach area offering pristine beaches and blue waters. It is a little more upscale than most of the other beach areas in Bali and has a golf course and an upscale shopping complex. The offshore reefs are excellent for scuba diving and snorkeling.

Nearby is the Museum Pasifika with its collection of rare art from both Asia and the Pacific. There is also the interesting Geger Temple which is located on top of a rocky promontory.

DAY 3

Half Day Cliff Temple, Fire Dance and Beach Dinner

Enjoy a pleasant short ride along the hills of Bali's southern peninsula. This area, known as Bukit, offers a landscape and topography unequalled by any other regions of the island. Unlike the majority lush tropical countryside which owed their fertile soils to the volcanoes that dotted the central highlands, this arid terrain-formed by millennia of coral sedimentations is a world of its own. Their beautiful-yet-wild beaches are heaven for surfers. In the corner of this peninsula, perched on a sheer cliff, is a highly venerated Uluwatu temple. A performance of The Ramayana epic-based Kecak Dance with the majestic temple and sunset as its background, will give a climax to this memorable evening. The tour ends up at Jimbaran Beach to enjoy Seafood dinner, served on the beach.

DAY 7

Ubud at Leisure

Ubud is centrally located on the island of Bali and is one of Bali's major arts and cultural centres.

Comprised of 14 villages, each run by its own Banjar (village committee), and all within 5 km of the city centre, Ubud is a fairly straightforward, small town situated amongst scenic rice paddies and steep ravines in central foothills of the Gianyar regency.

In the 8th century, Javanese priest, Rsi Markendya, meditated at the confluence of two rivers at the Ubud locality of Campuan. Here he founded the Gunung Lebah Temple on the valley floor, the site of which remains a pilgrim destination. A centre for natural medicine and healing, Ubud got its name from the Balinese word, 'ubad'- meaning medicine.
