### DAY 3

#### Transit to Grand Teton National Park / One-Hour Trail Ride / Jackson, WY

After checking out of your hotel this morning, begin your journey south to Grand Teton National Park. As you drive south, the road borders Jackson Lake and the massive Teton Range dominates the western skyline.

No trip to the Old West is complete without a horseback ride through Grand Teton National Park. The Jackson Lake Lodge ride is a one-hour ride that heads north, crosses the willows, through beautiful wildflower meadows and brings you to a spectacular view of the Teton Mountains.

After your ride, you'll continue on Teton Park Road to the small town of Moose. The Visitor center for the park is located in Moose. From Moose, you'll then proceed south on Moose-Wilson Road to Teton Village. The road is aptly named as moose are sometimes seen along the side of the road. Total transit time to Teton Village is about 3 hours with stops at vista points and for wildlife viewing.

### DAY 4

#### Private Morning Wildlife Tour of Grand Teton National Park / Free Afternoon

At daybreak, meet your private guide at your hotel and travel the nearby Moose-Wilson Road to view moose, elk, beaver and black bears. Your wildlife adventure will continue to locations where you may have the chance to view buffalo and antelope herds along the Gros Ventre River and Antelope Flats. You will return to your hotel at about 11:00 AM.

The rest of the day is yours to explore (or relax) on your own. Activity options include:
