After lunch, you'll be taken to Pourvoirie du Lac Blanc, a family-owned resort straddling the mountainous regions of Mauricie and Lanaudière. DAY 3 | SAINT-ALEXIS-DES-MONTS, QC

Spend the day embracing the many outdoor offerings at Pourvoirie du Lac Blanc. Snowmobile over a pristine carpet of snow, dogsled with a team of affectionate canines, learn ice fishing techniques and prepare your catch over a bonfire, and climb aboard the resort's Snowmobile Bombardier B12 – the first vehicle to ever travel in the snow – for a '40s-era ride. In the evening, retreat to the resort's rustic restaurant for a symphony of flavourful dishes. Accommodations are at Pourvoirie du Lac Blanc in a Two Bedroom Cottage.

DAY 4 | WENDAKE, QC

This morning, you'll depart Pourvoirie du Lac Blanc for the famed Hôtel du Glace, an exquisite property carved entirely out of ice. After checking out the glittering accommodations, continue your journey to the Hôtel-Musée Premières Nations in Wendake, a Huron-Wendat First Nation community. Upon arrival in Wendake, embark on a private Myths and Legends experience, where you'll hear drumming and stories in a traditional longhouse and sample Labrador tea and fire-roasted bannock. Then, tour Musée Huron-Wendat, which is dedicated to preserving and sharing the history of a nation that has lived on the Nionwentsio territory for millennia. End the day with a five-course Indigenous feast, created by a Michelin-starred chef. Accommodations are at the Hôtel-Musée Premières Nations in a Wendat Room.
