### Blue Lagoon

Today's destination is the famous Blue Lagoon and our own private beach on beautiful Nanuya Lailai Island. M.V. Fiji Princess will tie off to a coconut tree and this is your chance to jump off the back of the ship as many times as you like and swim to shore. Optional activities include snorkelling, fish feeding, volleyball, water aerobics and a coconut husking demonstration. A BBQ lunch will be served on the beach while tonight's dinner is a traditional Fijian Lovo - a meal cooked underground in a fire pit. Tonight's entertainment is a Meke performance by local villagers.

Fiji Princess or travel by water taxi for your cruise north to the sacred Sawa-I-Lau Caves, followed by a visit to Tamasua Village where you'll enjoy a traditional seafood dinner. Tonight, we'll screen the Brooke Shields' classic film The Blue Lagoon on the Sky Deck (weather permitting) which was filmed here in the Yasawa Islands.

This morning you can choose to visit a local school before we head south again, this time for Drawaqa Island. This afternoon you can take part in some optional extras (diving or hand line fishing), go in search of the manta rays (May-Oct) or simply relax on the beach. For our last night together, we'll have a BBQ on the Sky Deck (weather permitting) followed by a disco. Boogie on down!
