

Day 1

Mfuwe Lodge

You will be met at Lusaka airport and a local Goway representative will assist you in connecting to your flight to Mfuwe. On arrival at Mfuwe Airport, you will be met by your lodge representative for your transfer to the Mfuwe Game Lodge, travelling through the scenic rural landscape. On arrival enjoy a welcome drink before checking in to your luxury thatched chalet, set beneath a canopy of ebony and mahogany. Secluded covered verandas look out over wallowing hippo and thirsty game in the lagoons, while the newly refurbished African interiors are the perfect place to wind down with their comfortable sitting rooms and en-suite bathrooms with panoramic walk-in showers.

This afternoon set out on your first game drive into the South Luangwa. This region of the park is renowned for its prolific game - giraffe, buffalo, antelope and crocodile are constant visitors to Mfuwe Lodge's lagoon. Drives are led by our experienced team of guides, and the late afternoon is when the wildlife is at its most active. After sundowners, spotlights are used to pick out a new cast of nocturnal creatures.

Day 2

Bilimungwe Bushcamp

Early morning game drive with your professional guide, experiencing the early morning light as the game emerges from their night spent in the safety of the deeper bush. The game-viewing potential at Mfuwe Lodge and the surrounding area is second-to-none. Walking safaris can be arranged on request, but the majority of outings are game drives, allowing guests to explore as much of this prolific region of the Luangwa Valley as possible.

Return to your lodge in the mid-morning with time to freshen up and enjoy an al fresco lunch on the deck, before boarding your open Land Rover for the start of your Bushcamps safari, game viewing en route to your first overnight camp. Heading south and skirting the Luangwa River, arrive at your first bushcamp in the early afternoon, Bilimungwe. Warm and welcoming, this beautiful camp blends seamlessly with its surroundings and offers unrivalled wildlife viewings.

Bilimungwe's four raised thatched rooms have been carefully designed to ensure the height of comfort whilst still retaining that authentic bushcamp feel. The tangle of mature mahogany trees that surround camp are echoed in the rich, wood interiors and the beautiful wooden furniture, handmade by local artisans. Bright African textiles bring a splash of colour to the elegant rooms. Set beneath a huge mahogany tree, the heart of Bilimungwe is the cool, shady lounge area that looks out over one of the

camp's three waterholes. Settle down in a cosy armchair with a sundowner and relax as you watch an enviable display of spectacular birds and animals that clearly feel as comfortable here as you do.

Enjoy an early morning game-drive or walk, returning to camp for brunch on the open deck. There is time after brunch to freshen up before boarding your game viewing vehicle for the short transfer to your next bushcamp. The newest camp in our collection, Zungulila is a charming camp that embodies the essence of old Africa and a bygone era, with breathtaking views onto the Kapamba River and an expansive plain where natural springs attract large herds of game.

Built under thatch roofs, each shaded tent has its own private bamboo veranda with immense views of the river and its impressive variety of wildlife - from thirsty elephants at the springs and flocks of birds on the river, to prowling lions and large herds of buffalo on the grassy plains. With stylish interiors, en-suite bathrooms, hot-and-cold running water, outdoor showers and a sunken plunge-pool, you can enjoy your creatures and your creature comforts in this classic tented bushcamp.

If you long to explore Africa as it used to be, then welcome to Zungulila. Our expert guides will lead you on foot through the park's untouched wilderness, where herds of buffalo and thirsty elephants come to drink at the springs and along the river. With limited roads in the area, activities are focused around walking, but to get even further afield, day and night game drives are also on offer. In the evening, after wading through the river, we invite you to join your hosts for sundowners, or sit around the campfire for a drink, before recounting the day's adventures over a starlit supper overlooking the river.
